

Office Services

We offer complete electrical design and installation services for both office refurbishments and new build offices. This includes the design installation of all power, lighting, data and telephone systems in CAT 5 or 6, along with air-conditioning and fire and intruder alarms.

We have undertaken complete office design and installation for the following companies;

Norfolk Property Services

Jones Contracts Limited

Surrey Sussex Strategic Health Authority

Strutt and Parker

Frankhams Consultancy

South East Coast Ambulance Services

The Fry Group

Family Mosaic

Butler & Young

Colmans Solicitors
